# SLUMP IN STOCKS; "FIFTEEN" SAYS JOHN DOE IS MARKET FEVERISH.

Prices Tumble and Rally, Then Fall Again-Rusn to Cover.

were 2,974,160 shares, and of bonds 5.970,000. This is the second largest day recorded on the Stock

The effect of drawing in of credits on an over-extended speculation was shown by a siump in the stock market this

In the effort to liquidate prices broke violently throughout the list, with the argest effect naturally in those stocks n which the mad rush to buy has centred for the last few days.

As the last candidate for this kind of favor, Atchison led the van. During the early session there was a prospect of indefinite profits in this stock and hordes of speculators were using all the money a margin.

# Confidence Came Back.

The way in which Atchison and other stocks mounted skyward relieved t apprehension remaining from the rathe reactionary tendency of yesterday market, and confidence came back the speculators when the flurry w over, and it was time to renew the to tics of buy, buy, buy,

made as 90 1-4 for Atchison, 182 5-8 St. Paul. 114 1-2 for Baltimore & Ohi 115 for Missouri Pacific, the same f Northern Pacific, 169 1-8 for Rock Islan and so on for other less active an prominent stocks

Then began calling of loans and tho who had been using every dollar credit they could command to b weeks on margin began to grow e ecedingly nervous and uneasy. prices melted away their nervousne grew to miniature pan'e and they beg to order stocks sold in a hurry.

The new demand had relaxed as rection began to give promise that buyers might get much lower price. The professional bears were alert to sell and they gave material aid to t downward movement and to the disap- STOCKS IN LONDON. pearance of bull profits.

# Rush Then to Sell Stocks.

was great excitement and the brokers. fagged and nervous with the long strain of the great bull market, found them excitement. Any one willing to buy stocks was almost torn to pieces, where movement in a few hours before all the pressure was

lous faces and tickers in restaurants and barrooms were hurriedly scrutinized day this week. for a moment before a boit was made ders given to sell.

The proportions of the slump are in-

dicated by the following principal declines: Atchison 9 3-4, St. Paul 9 5-8, Rock Island 8 3-8, Northern Pacific 8, Baltimore & Ohio 7 1-2, Union Pacific 7 3-8, Missouri Pacific 6 1-4, New York Central 6, Illinois Central 5, Wabash preferred 5 3-4, Sugar 4, Atchison propreferred 5 3-4, Sugar 4, Atchison preterred 4. Kansas & Texas preferred 4 3-8, and practically all other stocks between 1 and 4 points.

# Rally Was Violent.

A rebound which followed was almost equally violent. The bears had been so

Missouri Paelfie, I in Manhattan, and from I to I points in many other stocks. The raily was not well held and the market fluctuated very feverishly below the level of the raily.

The excitement aboated considerably after the raily, but prices wavered in an uncertain manner, declining in some cases again to within a fraction of the lowest. The tone continued very feverish until the close.

# TUNNEL PLAN HELD UP.

The Railroad Committee of the Municipal Council held another public hear-ing this afternoon on the change of the tunnel route proposed by the Rapid Transit Commission, by which the line will be straightened from Fort George o Bailey avenue avenue and Two Hundred and Thirtieth street, Highbridge, instead of going by a curve to Inwood. "Well," said Councilman Francisco 'I'll never vote for this change of route till the Brooklyn tunnel is ordered, may be wrong in holding one piece o public improvement because I want another, but there are eight of us whetland the same way."
That ended the hearing.

# COLER TO GET HIS MONEY.

ALBANY, May 3.-Gov. Odell has decided to sign the bill which provides that Comptroller Coler shall be allowed by the city of New York the expenses incurred by him in opposing the confession of judgment made by the Corporawas going to retire from office and from non Counsel in the matter of the Aqueluct claims of O'Brien and Clark. It was pointed out to the Governo that the bill was the outcome of the contention between the Comptroller and Corporation Counsel as to the right of the latter to confess judgment in ac-tions brought against the city.

# BLAST SHOOK HARLEM.

Seventh avenue, near One Hundred and Forty-third street, was filled with huge pieces of rock just before noor to-day, when a blast in rock underlying to-day, when a binst in rock underlying the vacant lot at the northwest corner failed to behave properly.

No damage was done, but buildings were shaken for blocks around. Crevices in the soft rock drew the force of the charge in an unexpected direction. Patrick Martin, the foreman in charge, was arrested, but released, as it was shown he had compiled with the law.

# FOUND OUT. A Trained Nurse Discovered Its Effect.

No one is in better position to know the value of food and drink

know the value of food and drink than a trained nurse. Speaking of coffee, a nurse of Wilkesbarre, Pa., writes: "I used to drink strong coffee myself, and sufdrink strong coffee myself, and suf-fered greatly from headaches and in-digestion. While on a visit to my brother's I had a good chance to try Postum Cereal Food Coffee, for they drank it altogether in place of ordi-nary coffee. In two weeks after us-ing Postum I found I was much hen-deted and finally my headaches disefited and finally my headaches dis-appeared and also the indigestion. "Naturally I have since used Postum among my patients, and have noticed a marked benefit where cof-fee has been left off and Postum

"I observe a curious fact about Postum used among mothers. It greatly helps the flow of milk in cases where coffee is inclined to dry it up, and where ton causes nervous

"I find trouble in getting servants to make Postum properly. They most always serve it before it has been boiled long enough. It should be boiled 15 or 20 minutes and served with cream, when it is certainly a delicious beverage."—Mrs. Ella C. Burns, 309 E. Seuth St., Then Phillips let out 600,000 bushels at
